very, very sorry for me, and through any other body.

I declined receiving the last by him - and informed him that  
I would not hold an intercourse with him, unless I could meet  
him on the other side, - to which he was agreeable. He was paid all  
that was due to you, and a little more, as you are in my debt

I have purchased 900 first rate  
English Enns approved Enfield Rifles which I ship from this  
port on the Schooner, Ranger - The arrangements I have  
made are these. The sums are to be paid for in Cotton at Matamor  
at 21 cents per pound the Cotton to be delivered to the agents  
of the vendors, Messrs. & Bro. through the House of Lange & Co.  
within 40 days from this date (August 10<sup>th</sup>). As I before  
wrote to you, it is utterly impossible to make any terms involving  
risk on the part of the vendors. Indeed I have extreme diffi-  
culty in making any purchase whatever based on the credit of a  
Government - a result much to be deplored, but flowing  
very naturally from the failure to comply with previous obligations.  
It is openly stated here that the Government has no Cotton  
in Tennessee, and it is hard to persuade people that  
improvement will be resorted to, even to pay for arms -  
in other words that the Government will carry out the  
contracts entered into by its agents. - You will of course  
see the absolute necessity of meeting this payment promptly  
should this be done. I believe that a large quantity  
of arms may be procured, although, and previously stated  
I would be much better to ship the Cotton, or sell it on  
demand and send the money

the shipmen, was attended with the same difficulties  
as the purchase. I have been compelled to charter a  
schooner during the risk of her capture.

I am in treaty for a lot of Mortars, &  
1000 in all, an inferior weapon, old altered flint locks.  
But I get them cheap. The Mobile Authorities ordered  
their purchase, if none better could be obtained.

I send, herewith, two letters relating to  
the case of the "Caroline Goodyear". Please read and  
forward them to the General.

In making these purchases and in  
chartering a vessel, I have been compelled to make  
use of the guarantee of Major Nelson, Confederate Agent  
at the port. Any failure to meet the resulting  
obligations, would seriously embarrass him, and  
impair his credit.

Very Respectfully

In answer to your

rendered since my connection  
with the D. M. Dept. I beg  
leave respectfully to state that  
I was appointed in November  
1862 & ordered to report to Gen.

with Gen. Magruder and was  
there assigned to duty by him  
as D. M. on his staff. Subse-

release of the Caroline Lopez.

and the Love Bird, two vessels  
laden with arms for the C. F.  
and seized by the French off  
the mouth of the Rio Grande.  
To effect this object I was com-

with General Bazaine & Gen.  
Almonte, the release of  
the two vessels & their cargo.  
The cargoes were subsequently

Maj. Helm were shipped  
into the Confederacy. I was

I have to state that  
in accordance with the instructions of Major  
General Magruder, I came to this place to pur-  
chase arms and munitions of war for shipment  
to Texas; afterwards I was sent to Mexico to pro-  
cure the release of arms destined for the Confed-

of Matamoros. I then returned here, en route  
for Texas, but since the occupation, by the enemy,  
of the line of the Rio Grande I am cut off from  
that district. I would therefore respectfully re-

In reply to your communication dated Las Animas May 14th, I have to state that I have issued no orders at all since relieved from Staff duty. I further have no accounts of property obtained by order of Gen. Magruder, <sup>senior</sup> ~~neither~~ having procured any in that way except, I believe, Ten sacks of oats, for which Maj. Russell requested me to give an order. I did not give any orders respecting the Mess Tent. I obtained the material from Maj. Hart's agent, Mr. Gallacher and receipted him for it. The tent was made and paid for in the usual way, and is described on my papers as a Hospital Tent, it having been made to supply the place of the Hospital Tent which was stolen.

COPIED

St. James, August 11, 1843

Friend,

Before leaving Brunswick, Jas. Maguire  
instructed me, orally, to purchase a Spanish Lure, if  
a suitable one could be procured. Now, Sir, I do not  
under instructions of this nature, feel justified in taking  
the responsibility of this venture without more explicit  
aid or authority. I have made diligent inquiry,  
but can find nothing that I should select. I have  
however, reports of those vessels, one at Nassau, and the  
other at New York; - which I think would justify me  
in purchasing. The one at Nassau is thus described

Length on Deck	12 1/2 feet
" of Keel	110 "
Breadth of Beam	22 1/2 "
Depth of Hold	4 1/2 "
Diameter	32 inches
Blocks	7 feet,
Horse Power	250

The net came about 150 Cans of Cotton - (one can  
weighs eight, in Spanish water - this I think an exagger-  
ation, it will weigh, and is much heavier, much heavier  
than the market - draws 8 feet loaded (I am  
told by persons who know the boat that she will  
draw 7 1/2 loaded) - it is perfectly new. Price \$60,000.

and he bought for \$30,000 probably.

The New York Boat is named the Fish Hawk.  
The following is an approximate description:

Length	130 feet
Breadth	24 "
Depth	9 "
Engine	38 inches
Stroke	9 feet
Draft, loaded	$7\frac{1}{2}$ "
" light	5 "
Speed, loaded	15 miles
" light	12 "
Capacity	300 Bales.

for \$40,000 to \$45,000. Underlying apparatus to  
make fresh water for boilers.

It seems to me that the Fish Hawk would be a more  
desirable purchase than the Nassau Boat. - Either of  
these would suit very well for bringing Cotton from  
the Cruzes River to the Api Grande. As you have  
expressed a preference for Cotton at Ojavalillo it is pro-  
bable that very little more private Cotton will come  
overland, & the same of improvement operations  
will, therefore, have to be transferred to the water.  
Should you desire to purchase the Fish Hawk, the arrangements  
can be made with the owner by a gentleman now in  
Mexico recommended by Mr. J. H. Adams. But I should  
be surprised if payment will be expected. The boat is very small  
and is to be used for the purpose of carrying a few

Your draft for the amount might be made  
to pay for the by a draft on a "Hollander's Bank",  
San Francisco, Cushing & Co. with power authorized from  
the bank to draw--

I wrote to you for the "Hollander's" in reference  
to the difficulties in the way of making purchases on  
the credit of the Government. With additional  
illustration I would remark that it is almost impos-  
sible to procure shipment of arms, even after buying  
them. Mr. Polk refused to take them on freight to  
Hollander's, and a vessel about to run the straits  
to the Oregon Coast, could not be induced to carry  
them.

My dear Sir

Will you have the kindness to get the Secretary of War and get orders for me to report at Richmond. It was sent here by Gen. Maynards some time since to purchase arms and munitions, and afterwards it went to Mexico, & procure the release of our thin corpses of arms destined for the Confederacy, but captured by the Federal in the waters of Matamoros. Returning here I find myself cut off from Texas by the Federal occupation of the line of the Rio Grande, and, I am, consequently, embarrassed how to act. As desirous to report to Richmond, would relieve me from all difficulties. Please to attend to this for me at St. Louis and you will confer a great favor on me becoming your friend

Respectfully,  
Samuel W. Taylor

P. S. Have the orders sent by several dispatches.

Yours truly,  
L. J. Remmes

Mr. Thomas S. dePonte  
70 Haven Avenue - Apt. 6-D  
New York 32, New York

The records show that Durant dePonte was appointed Captain and Assistant Quartermaster from the State of Louisiana, 15 October 1902, to take rank 9 October 1902 and to report to General Magruder.

His name appears on a return of the District of Texas, New Mexico and Arizona, commanded by Major General J. B. Magruder, for the month of October 1863, which shows him on duty as purchasing arms in Havana, and also on a list of Staff Officers of duty in the District of Texas, New Mexico and Arizona, dated 1 September 1864, which shows him post as Matamoros, Mexico with remark: "A. de P. procuring arms."

On 3 February 1865, his name appears as signature as Associate Editor of Richmond Whig. No later record of him has been found.

This collection of records is by no means complete, and failure to find a record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Major

Your communication, recd  
an explanation in reference to  
future in making the required  
statement of the fund, & to me  
agent of company of some of  
points to the forms of the regular  
was received last night.

I have the honor to reply that  
because of the distance from the  
temporary apartment, I am  
ignorant of the exact prices of the  
land, & am not therefore able to make  
a statement of the credit on a  
Provision Abstract however, I have made  
reference to the list, & intend to  
continue the report of this point  
in the same manner.

to due consideration, by which to make  
statement. This matter has not been  
checked, nor forgotten, but the plan  
board, has been adopted from the  
inning, as the only one by which a  
statement could be made to  
the account current of actual ex-  
penditure of funds transferred, have  
ever, been regularly rendered.

In reference to the register, also, we  
state that it was continued in the  
form adopted before the Hospital was  
turned over to the Federal Authority.  
Which tho' not strictly in accordance  
with the form of the Regulations, ap-  
proximated very near, differing only in  
that it was not ruled into columns, nor  
bound exactly in the order of the form -  
It contains however all the items of the  
form. This book however had been altered  
in form to the Regulations, but it

I have made requisition, at different  
times, for a Prescription & List-Book, but  
have failed to get one. The blank  
books sent to this office for this purpose  
are such as could not be arranged  
according to form. It is necessary  
to procure, if possible, a similar book  
rule it of into columns, and then a  
form requires.

I hope these explanations will be  
satisfactory - at least show some  
distribution of duty.

I would further add that Private  
Freeman 21<sup>st</sup> Reg. former Surgeon in the  
Hospital was under orders to report at  
camp for duty, before your letter was  
received, but has been allowed to go  
home for a few days to make some  
arrangements.

Sir

I hereby make application to visit the City some time for the purpose of drawing my pay. It being about the first of October next. In inquiries about it, I have not, with that view, been absent for five months. I also hereby give notice, that I design making a regular furlough for several weeks, beginning some time in May. Not having had a furlough since I have been at this Post, but only leaves of absence to attend to particular duties, I trust, my application will be approved if it is made.

could not have done so. If I had chosen  
to become any one on this continent  
I assume you never intended my mind, it  
could have been entirely useful as I was  
I will however in Charleston & elsewhere  
as among strangers for any such  
purposes as this to succeed. In fact it  
was assumed to me that I was doing well.  
I nearly always enter my name in  
I cannot say I am influenced more  
a feeling of modesty than any other  
as I have always disliked to display  
my title. It is an offensive flourish  
but I feel very proud of it.

I assume you I was influenced by this  
feeling & nothing more.

I dislike to visit the city at  
times & would never have to do so, un-  
less by important business.

Another matter, obtained one in the city  
where I would have remained or not  
had to remain, & that was attending  
important matters connected with  
my brother's estate. That no one should  
do. Hoping this could & further  
to care, may prove satisfactory. I have  
never to remain any longer.

As Adj. Gen. C H Smith

Sir

I have the honor to acknowledge the receipt of your favor of the 28<sup>th</sup> March which came to hand last evening & which I now have to answer. It affords me pleasure to do so, as I hope to do, any service which my thoughtless inattention may have produced before the view of the Command General;

I was sent to this Post just over a month ago & only twice during this time have I visited the City & each time on business of importance connected with the Hospital over which I have the honor to preside. The first time I procured the consent of Medical Director of instructions him to say that I could come down every two months to get the pay of the employees & to attend to various matters of an official

ature connects with the Hospital, more  
secretly as I always procured the services  
an old & experienced Physician to attend  
patients during my temporary absence  
reported to him as soon as arrived, & asked  
permission to visit Morris Island, as  
wished to see my old friends, & had left very  
few patients in the Hospital & they were being  
well attended to. The Doctor gave me  
permission to visit Morris Island for a  
few days, but I was detained there by  
stormy weather till Tuesday night. I immediately  
reported again to the Medical  
Director & then mentioned to him that  
I had forgotten to register my name  
at the adj Gen office where I pick  
up, & was very sorry for it & asked  
for advice if I should go & do there.  
That my Cheate & about Mundorff had  
sent me to register in the post office  
there. He said he hardly thought  
it was necessary as I expected to be  
there only a day. I was already to have  
my baggage brought down.  
I was disappointed in collecting  
large amount money for my  
lawyer in Law, who had told me

to parties who could not arrange matters soon enough for me to leave that day. Thus I was left one day longer than I had permitted to remain, as it were by accident. For I really did not wish to stay, but could not get off that day without one thing important business entrusted to my care, in which my honor was somewhat implicated. I will refer you to the breakfast Director for information about my visit to Lewis Island &c.

My guestbook ever was in mentioning my name officially when people came down, & upon my return in the hour of all the business I do. private & official, it escaped my memory at first. & then I was guided by the Director's advice, in the second place. I need not say I regret it, for I am exceedingly anxious to conform to all the rules which I am in service.

As to my reporting my name as a private citizen at the hill & house. I never dreamed that I was doing wrong or in breach of any rule. For I thought

Officer Post Surgeon  
May 24/63

Sir—

I have the honor to state that for the past four months the employees and attendants of the hospitals at this place have not been paid.

By instructions from Maj. C. M. G. I respectfully ask that he be ordered to turn over to Capt. Jones the amount due the hospital employees and attendants. He expressed approval of such an order, and said he preferred doing so, than to retain the money unused, when it was needed elsewhere.

Knowing how much the matrons especially, and the other attendants also, stand in need of funds I respectfully but earnestly ask that Maj. C. M. G. may turn the requisite amount over to Capt. Jones, as requested.

Headquarters Mills Corps Company  
August 12<sup>th</sup> 1863

Capt P. L. Darling A.C. has proven himself  
to be an active & zealous officer, & done a  
great deal of valuable service in our last  
Kentucky campaign.

Under H. O. Order he is relieved  
from office, unless reassigned by the  
Secretary of War

We are now very short of  
companies & fear, that if any  
forward movement is contemplated,  
we will have a great deal of trouble  
on that account.

Should you therefore deem it  
proper to recommend Capt Darling  
for reassignment. - I am satisfied  
your confidence will not be misplaced

Colonel

I herewith send you my report for the  
months of Sept. & Oct. 1862. During the remaining  
months of that year and of the year up to Sept. 1863  
I either a Prisoner or off from duty. Please  
its timely reception as it was unavoidable  
Reports for Sept. & Oct. of this year will be  
soon. Their lateness is on account of the  
press of business and but few sheets.

I wish to ask you concerning a few  
points.

Sacks of meal are invoice to me  
and handed to the pack. In my report to  
you & Division ought I not to list them as  
received?

The Chicks. that are reported as  
are receiving 100000 dollars pending.  
and to purchase rations or clothing for  
government officers.

The receiving officers required  
receipt for all stores Invoiced by Quartermaster  
whether received or not. It is no common  
practice with me to have stores arrive with  
no receipt.

Yours Respectfully

Colonel,

I have no question that the services of  
Capt. R. A. Darling, et al., can be made  
useful to the Army of the Confederacy. I am  
confident I can find employment for him as  
a surgeon, I can at once assign him a fine  
post in case, the Secretary of War should  
order them to report to Gen. Bragg.

Capt. Darling is a peculiar case. He is  
an officer highly recommended, if there is  
any chance of his re-appointment, I will be glad  
to hear of it. Recommend him strongly to  
your consideration.

Very Respectfully

I now hold my pen in hand for the purpose of informing you that I have had additional orders from the Government to the effect that I am to be ordered to Fort Sumter by the 1st of Dec. It is a matter of great importance to me for you well know that I have decided to do so. nor do I intend to do otherwise. The only thing left for me to do will be to resign which I shall certainly do as I am prompted to it by a sense of duty and. In all my friends advice me to the contrary I will still be true to you so that you may know that I will go. I was first appointed 2nd of the 1st Regt from a private I was taken away from it at once (in Sept 1862) and assigned to pay 300 of 1st Chatham Co. and held that position until July 1863. Genl Forest applied for me and I was assigned to him of 1st Regt Aug 1863 and remained with him till Nov 1863. and upon his (Genl's) being ordered to High Land. I was ordered to come with him. but he did not have a command large enough at that time, so I did not go. I was ordered then to report to 1st Lieut. of 1st Regt. I was then assigned

I take pleasure in sending  
you, through the hands of my Assistant Wm. S. M.  
Whitford, my report as Quartermaster of the 1st Division  
Light Artillery of the Mississippi, for the quarter  
ending the 30th September, 1862. The report would  
have been forwarded sooner but for the fact that I have  
with the Command in the tour through Kentucky  
been engaged in pursuing the troops. I necessarily felt  
it impossible to make out and forward my report in such  
time as I desired, and have only been enabled to do so  
on the arrival of the Army at this place.

Most respectfully Yours, Chas. S. T.

Captain,

I have the honor to acknowledge the receipt of your three communications under date of the 11<sup>th</sup> inst. His Excellency, Gov. A. A. Tubbock has directed (and the necessary order will go forward immediately) that one camp be established on the Leon west of San Antonio, and adjacent to the City, and the other on the Bosque near Waco.

to the fact as he is charged with the defense  
of the State.

The Governor is giving every  
consideration to arm the troops in the State for  
its defense, and while he is willing to withhold  
from the Confederate States any assistance  
he may be enabled to render, he cannot  
conscientiously and unphatically leave the State in  
a defenseless condition.

I am directed by the Governor to call the attention of the General Commanding to the fact, that Nichols, McCulloch's and Ford's regiments are on the eve of being discharged from the Confederate States service, and that they were armed to a great extent by the State, so that the Arms are intended for the defense of the State, and to learn whether he has taken any steps to secure the Arms, and prevent their removal beyond the limits of the State.

A portion of Colonel Garland and Flournoy's regiments were armed by the State for its defense, and they, I understand are under orders for the Seat of War.

The attention of the

General Commanding is respectfully called

to this point as he is charged with the defense  
of the State.

The Governor is using every  
effort to arm the troops in the State for  
defense, and while he desires to withhold  
from the Confederate States any assistance  
may be enabled to render, he deems it un-  
wise and impolitic to leave the State in  
a defenseless condition.

Austin, June 17<sup>th</sup>, 1862

Captain,

I enclose a list of Brigadier  
Generals of the State Troops also a list of  
regiments in the U.S. Service from this State.

The most of them have never sent any  
muster rolls to this Office, but the unoffi-  
cial data is sufficient to justify me in  
saying that the enclosed list is quite correct.

I understand that there are several  
other regiments in process of organization  
within the limits of the State, and that  
there are several independent Battalions  
and Companies, the most of them operating  
on the Coast, of which there is no evidence  
on file in this Office.

I am instructed by the  
Governor to inform you that the enclosed order was issued  
from this department on the 18th inst.

May Messie's reporting upon the subject in reference to the  
rifle work under date of 30th July says to the Governor "if has been  
very essential for the army to procure what is does make and if  
removed would entail a serious difficulty in procuring rifle for the  
units &c"

Genl Howard reports under date July 29th "Mr. Hiram Brown  
has his machinery and foundry at full work, he has contracts  
with the general Government to supply cannon, shot, and other  
valuable work."

The Governor avers that the operations of these works  
should not be kept to the state, or to the Confederate States has ordered  
that amount to a distance from Galveston on the main land not  
less than one hundred miles.

At the suggestion of the Provost Marshal at Galveston this order  
was suspended until further instructions arrived and forwarded  
under date of 11th June to the effect that the order was in force  
and action must be had under it, promising however beginning  
that he has ten days notice to enable T. L. F. Commander

that Military district to file his protest with his reasons  
 continuing the work at that point, in which event General  
 Grant may to suspend the execution of the order former  
 protest and reasons and arrais further instructions.  
 The Governor anxious at all times to further the views  
 the Confederate States authorities is disposed to waive his  
 sense of stern duty in this instance provided the  
 same can be fully supported by the military officers of the  
 Federal Government, will justify it.

The Executive having by a proclamation, dated May 28th ult., ordered the suspension of all distilleries for the manufacture of intoxicating liquors within the limits of this State, the Brigadier Generals or Commanders of the several Brigades of State troops, are directed to see that the requirements of this proclamation are rigidly enforced. Should any distillery of that character continue in operation after the expiration of the time specified in the proclamation, the Commander of the Brigade in which such establishment may be located, will immediately seize them, with all the material belonging to them, deprive the owners of their use, destroy all liquor on the premises, and take such steps as will prevent their re-establishment.

Should it be necessary to seize any distillery, the officer doing so, will immediately report the facts to this office, through the Commander of his Brigade.

Major

I have the honor to acknowledge the receipt by his Excellency, the Governor, this morning of a communication from the Major General Commanding, of date Brownsville May 7<sup>th</sup> 1863.

I am instructed by the Governor to say, that the requests of the Major General Commanding shall be promptly complied with as literally as practicable but he deems that it will be impracticable to recall the "three months drafted men" into service, their term having expired.

However I am further authorized to say, that the call will be promptly responded to by his Excellency and the most urgent efforts made to place the troops in the several designated camps with the least practicable delay.

With this object, and to expedite the improvements by personal conference with the Major General Commanding.

The Governor will visit Houston at an early day in the next week.

He now contemplates departing from Austin by the Stage of Tuesday morning.

You will recollect that the communication of the Commanding General, making a requisition upon the Governor for troops to defend the State, of date June 4<sup>th</sup> was turned to your office at the request of the Major General, for some temporary purpose.

Assuming that as this the Major General would dispense with its further use, will you please His Excellency the Governor, by forwarding it, as this office, without it, has no data on file on which to base its action for the current draft.

Austin, March 31<sup>st</sup> 1883.

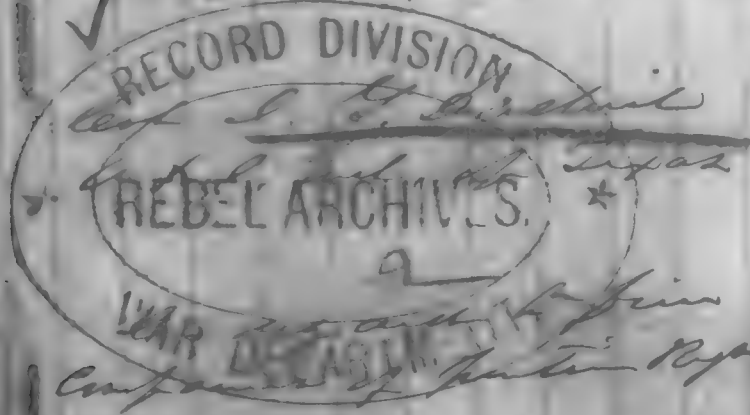

Captain [Name]

Yours of date 21<sup>st</sup> inst. has been received by his Excellency the Governor and in reply I am instructed to state that the Governor appreciates most sensitively the prompt courtesy of the General Commanding, as manifested in his offer to accept subject to the approval of the President, the 11th Regiment of State Troops, organized for the use of the Frontier, and were the to consult feelings alone most gladly would he have transferred the Regiment to the Command of the General Commanding.

He has however written to the President to urge a speedy and definite action on his part, in relation to its transfer, which he presumes, with the influence derived from the official report of the General Commanding in relation to the Regiment, will at no distant day remove the suspension.

Until the determination of the President has been obtained, the Governor deems it best to transfer of the Command of the Regiment to the State Authority would tend to give the accounts of the Regimental Officer.

Question, Aug 13<sup>th</sup> 1867

General.

The two go on return of last evening from  
Fogels. Comd'g. more he had been called on urgent  
business business and this morning the several communications  
from your Head ass. has more laid before him.

The Governor directs me to say in reply that he is  
well gratified at the promptness in <sup>to</sup> quoted on the part  
of Mr. Genl. Comd'g. and yourself to receive the mounted  
Regiment of State troops as soon as its organization is  
completed in accordance with the terms prescribed  
by Reg. Genl. J. C. Robert, latter Commanding.

The mounting Officer from the northern end of the  
is has officially reported five companies mustered  
at the State service for three years in the West  
and we are looking forward for the return and the  
official report of the Officer dispatched to muster  
the Battalion on the lower or southern line. When  
this is done the Governor will be prepared to consum-  
mate the transfer in the manner stipulated by  
Reg. Genl. Robert, to wit with ten companies.

It is here that the Regiment was to be landed  
without conditions or restrictions as to service or  
commenced, now does the Governor desire to improve  
and condition whatever that would retard or  
prevent the transfer if the Department, but as is justly  
claimed at the prospect of the removal of these  
companies from the line of defense without being  
advised of what means you have adopted to  
protect the places of those companies in protecting  
the same and children and property of the frontier.  
The Governor has unquestionably evidence to convince  
that against the withdrawal of the troops specified  
with substitution of such higher units will  
satisfy public and the Government.

themselves of doing nothing for the oppressed  
of humanity and properly subject them to the severest  
civilian admonitions.

The Secretary confidently appeals to you to  
make such necessary arrangements for the protection  
of the frontier as may prove convenient to you  
and advantageous to the frontier at the same time  
and with the measures necessary to complete the  
transfer and as soon as completed to withdraw the  
troops of the State the surplus means of the frontier being  
employed after the cost of State troops for the C. S.  
Service has been raised.

The Governor would impress upon you in the most  
urgent manner the fact that the relations are along the  
whole line of frontier and are such that it is not by the  
emergency of that element, it is not by the fact that  
the State is not prepared to meet the emergency of the  
State and is not prepared to meet the emergency of the  
State.

The Governor would impress upon you the fact that  
it is not by the emergency of that element, it is not by the  
fact that the State is not prepared to meet the emergency of  
the State and is not prepared to meet the emergency of the  
State. The Governor would impress upon you the fact that  
it is not by the emergency of that element, it is not by the  
fact that the State is not prepared to meet the emergency of  
the State and is not prepared to meet the emergency of the  
State.

The Governor would impress upon you the fact that  
it is not by the emergency of that element, it is not by the  
fact that the State is not prepared to meet the emergency of  
the State and is not prepared to meet the emergency of the  
State. The Governor would impress upon you the fact that

He more than two years Capt Dashiell has served as Brigade, Division & Department respectively and has displayed an energy and fidelity in the discharge of his duties which fully entitles him to promotion.

Captain, Enclosed please find letters  
of introduction, in regard to the payments  
of Mutals, one from the D. M. G. G. G.  
Office Richmond Va, the other from the  
Chief Paymaster Office Jackson Miss.  
Dec 7. Act of Congress Nov 48. App. 1. Mal 6-61  
and alluded to in said letters, is as  
follows, Sec 7. And be it further enacted,  
that whenever the Mutals, or Volunteers,  
are called, and received, into the  
Service of the Confederate States, under  
the provisions of this Act, they shall  
have the same pay and  
shall have the same pay and  
allowance, as may be provided  
for the Regular Army, &c. the M. G.  
I have examined the M. G.  
one Pay rolls of the 5<sup>th</sup> Regt. M. G.  
and 1<sup>st</sup> Battalion of Miss. State Troops  
at this place. Commanded by Brig Genl  
Harris, These Rolls show as far as the  
fact that said troops, were mustered

by a Miss State Militia Officer,  
and Brig Gen Harris informed me, that  
his troops have never been mustered  
into the Service of the Confederate States  
as they are required to be, by my  
letter of instructions, and evidently  
by the Act of Congress, above quoted.  
Their Muster Rolls have no Certificate  
showing they were called into the Service  
of the Confederate States, by Order  
of a Comd'g General, or by proclama-  
tion of the Governor upon requisition  
of the President, which seems to be  
essential. I find that Brig Gen Harris has

a Special Order No 104, from W. J. G.,  
State of Miss, Asst. and Insp., G. O. Office  
dated Jackson Miss May 25-1862. Signed  
J. J. Pullus. Governor and Commander  
in Chief.

But this order does not  
show that said troops were lawfully  
called into the Service of the Confed-  
-erate States by Order of a Commanding  
General, or by Proclamation of Governor  
upon requisition of the President.

He also has 'Special Order, No 33, from  
H. D. Sec of War, Dismas, dated  
Sept 25 1862, signed by  
Command of Maj, G. L. Davis. Thos L. Smith  
A. A. G.

These Orders refer to the place  
where these troops were to be stationed  
provide for the General Commanders  
of the several military districts, for  
details for the protection of Public  
property for the supplying of said  
troops, with subsistence, (camp and)  
Garrison Equipage, and for transportation

to. But make no provision for the pay  
ment of said troops, nor where  
they were called into service by  
authority of law, nor that they were  
to be recruited into the Confederate

Service. He also has 'Extract Special  
Order No 7, H. D. Sec of War, dated  
Oct 1 1862, signed by  
Gen. Jackson Davis, dated  
Jan. 11. Capt J. A. Davis is hereby directed  
in his present duties to attend  
to the payment of the State troops  
at Columbus Miss, and along

the line of the Mobile and Ohio Rail  
Road. Again, By order of S. G. (Simulator)  
Dr. Mason a. a. s., this is all I can  
find in relation to the subject,  
in the hands of Brig. Genl. Harris.

The above Orders to Capt. Decker  
were 'Special' and if I have a direct  
Order, to pay the 5<sup>th</sup> Regt, and 3<sup>rd</sup>  
Battalion and Capt. Gilley's Company  
Miss. State Troops, upon their paying  
Master Rolls, from proper Authority  
and would be protected by such  
an Order. I will cheerfully proceed  
to pay them, as I drew funds for  
the payment of all troops in this  
District by the 1<sup>st</sup> March 1863, and I wish  
I have closely examined the  
Ordinance, and Voluntary Laws, passed  
by the Legislature of Miss., and  
Upper respectively Jan 24<sup>th</sup> & 29<sup>th</sup> /62 and  
Jan 3<sup>rd</sup> /63.

The Stat. Laws manifestly  
contemplate payment to such  
troops, by the State of Mississippi.  
Now Can I find any Law  
of the Confederate Congress, nor any  
provision, in the late Army Reg-

relations, authorizing the payment  
of militia, until they have been  
called, received, or mustered into  
the Confederate Service. Upon the contrary  
they expressly prohibit it, and  
require not merely the transfer of  
the Command of State troops to  
Confederate Officers, but that they  
must be lawfully called and  
received into the Confederate Service.  
I therefore respectfully  
decline to pay the militia for it  
further, and request further  
instructions, and legal authority  
to do so, if it is desired.  
I have the honor to be Capt

June 2<sup>nd</sup> 1862.

Dear Sir,

I received notice on the 16<sup>th</sup> of May  
last I had two commissions Quarter Master  
and it has been forwarded to General Beauregard.  
When it arrives please retain it and notify  
me by Telegraph, if my answer, to Oxford Miss.  
By doing so you will much oblige me.  
I am respectfully,

Yours Obedient Servt.  
Capt. J. R. Danks.

P.S. The reason I wish you to retain the above is  
that I have ceased to belong to Col<sup>d</sup> Pickens  
Regiment, in Hawthorne's Brigade, to whose care  
it may be directed.

PERMISSION PAPER

Holly Springs, Miss.  
Oct 3<sup>rd</sup> 1862.

General:  
I desire to report as per enclosed orders  
my assignment to duty. I have been acting  
as Paymaster of Genl Bruckner's Division  
since June last, but am familiar with any  
business connected with my office. I have a  
family to be in this Department as my family  
are in it, and I have been in the office  
serving since May 1861. My duty with my office  
will be left to Montgomery Ala on the 12<sup>th</sup> inst  
and road for Jackson Miss. and will not  
reach there before the 12<sup>th</sup>. I would like  
your orders to await their arrival after  
returning upon duty pending my services are needed  
there. The Post at Oxford, with but one  
company of men, appears to be needing some  
more if no assignment there would be  
acceptable. I have the honor to be  
very respectfully,  
Yours, J. H. H. C. S.

I know Capt Dool  
will say well.  
He is a lawyer  
of fine standing  
and attainments  
and a business  
man of great  
tact and energy.  
I believe no other  
endorsement is  
usually required  
I secure an ap-  
pointment of this  
sort than the for-  
mer request of the  
Col. Comd. the Regi-  
ment. I made.  
There can therefore  
be no reason for  
addition to the end  
of the Col. Dool  
even of the great  
Benton W. Hunt

P.S. I am about having for Betha a circular  
I would have a circular higher approval  
from the  
I have been.

To the Hon Sec to Randolph,

Secy of War,

Dear Sir,

I desire to respectfully apply for the appointment of Assistant Quarter-master to be assigned to my regiment for duty or wherever most needed.

The regiment has no Quarter-master now wants one, though there is a Captain detailed to act for the present.

I have been in actual service with my company for a year past, am a lawyer by profession, and have had experience in the mercantile business.

I comprehend the duties of the position, entertain some confidence of my ability to discharge them satisfactorily, and can give the required bonds.

Trusting my application will receive your favorable attention, I am with great respect,

Very Respectfully,

✓ Capt Thos A. Jackson,

Co: E: 21<sup>st</sup> Regt Tenn' vol's.

Hon Sec to Randolph Sec War

Will take pleasure in

entirely endorsing the above application.  
Capt Lashill has served under my  
command since the organization of  
the Regiment and has proved himself  
a most faithful & efficient and in-  
tellectual officer. It is my long  
hope that he will accept himself better suited,  
in view of his health & constitution, to  
a major and staff position, than to  
a company command. I trust the  
application will be favorably received.

I am, Sir, very respectfully,

Hon. James H. Mason

Sec. of War Richmond Va.

Dear sir, I have the honour to represent to you that Capt. Hugh M. Dunwoody of Savannah Ga. was actively engaged in the Southern service from the time of the seizure of Ft. Pulaski by my order, being accompanied Genl. Henry R. Jackson on that occasion, and from until the present moment has been actively engaged in the Military service, in which he ~~has~~ won and retained the entire approbation of his commanding officers. He is a gentleman of high character and honorable connections in Ga. and richly merits the confidence of the War Department.

In sept. 1861 he was appointed Quarter Master with the rank of Captain, and has long ago been, as I am informed, commended by Brig. Genl. Mercer for promotion. Many have been his juniors, and some who were not natives of the South, have been preferred over him, while he has been left with an old rank.

The object of this communication is to draw your attention to Capt. D. and to respectfully solicit for him the promotion of rank to which his eminent qualifications and continued faithful services entitle him.

I have the honour to be respectfully  
Your Most Obedt. Servt.

Wm. L. Brown

Respectfully forwarded.  
Capt. Gains has been ap-  
pointed a.d.c. for Gen.  
Baker & is now on duty  
with that Brigade.

Major Daves is not now  
on duty, <sup>represented to be</sup> a very desirable  
officer, and Gen. Groom is  
anxious that he should be  
assigned to him. I hope  
this application will be  
granted. Two officers are  
not too many for a Cavalry  
Brigade. The Brigade though  
originally intended for Baker  
has never been commanded by him.

Wilmington, N. C., April 17 1862.

General.

I can very remember when in Richmond my adjutant General had assigned and that I telegraphed Lieut. Graham Daves to join me, that he would be appointed assistant adjutant Genl.

May I ask you to bring the matter to the consideration of his Excellency the President. You know I would not recommend to that office an incompetent officer. Lieut Daves is a most meritorious officer and one of the most efficient and industrious men in service. I regret to trouble you in such matters at this time.

In a short time I will make you a report on the condition of the defenses of this city. Up to the present time I have been engaged in enlarging and strengthening the works, and preparing instructions for the men. I will only add that I am quite hopeful of a successful defense.
